

ENVIRONMENTAL POLICY

Strem Chemicals UK Ltd recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to the protection of our environment, including the prevention of pollution, and to seeking continuous improvements to our environmental performance as an integral part of our management and business strategy. This policy to be displayed where it can be seen by our employees and is made available to Interested Parties.

Policy Aims

Our business aim is to meet all registration requirements and achieve compliance with all relevant regulatory requirements.

We endeavour to:

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Increase employee awareness and training

Hazardous Waste disposal

- We will minimise the amount of waste where possible and look at recycling opportunities.
- We will use responsible and certified contractors to remove waste from the site (At date of signature of this document Neales Waste Management is the preferred contractor).

Paper & Card

- We will minimise the use of paper in the office, buy recycled or FSC approved paper.
- We use recycled boxes, excess card and packaging is given to local nursery or passed to recycling pathway

Transportation_ CO2 Emissions

- We will reduce the need to travel, restricting travel to necessary journeys only.
- We will promote the use of travel alternatives such as e-mail.
- We work hard to find the balance between adequate packaging, to prevent the breakage of bottles and leaking of chemicals into the environment, and excessive packaging that may be disposed of irresponsibly by the customer.

Energy

- We endeavour to switch off all unessential items such as lights, IT equipment and fridges when not in use

Culture

- We involve staff in the implementation of this policy, for greater commitment and improved performance. We will use local labour and materials where available to reduce CO² and help the community.

This policy provides a framework for the setting and reviewing of Objectives
