

Quality Policy Statement

STREM CHEMICALS UK aims to become a leading provider of specialist materials and fine chemicals throughout the UK and IRE.

In meeting the above, STREM CHEMICALS UK also aims to achieve high levels of customer satisfaction by delivering reliable, high quality, cost effective services within agreed timeframes thus generating the returns required to:

- Reward stakeholders for their investment.
- Reward our people for their efforts.
- Provide the funds to support future operations and company growth.
- Provide a stable and enjoyable work-place for the entire team.

STREM CHEMICALS UK is committed to the continual improvement of its performance by the monitoring of quality issues and through involvement with customers, suppliers, regulatory authorities and the community.

To assist with the above, STREM CHEMICALS UK has implemented a Management System that meets the requirements of ISO 9001:2015.

Compliance and improvement is monitored by process measures and internal and independent audits and is maintained by the timely implementation of preventive and corrective actions.

Meeting these standards is the responsibility of the entire team. STREM CHEMICALS UK is therefore committed to working with all stakeholders to support effective operation of the company's Quality Management System and the achievement of goals and specific Quality Objectives.

This Policy provides a framework for the setting and reviewing of Objectives. It is shared with all staff and is made available to Interested Parties via the company's web page or on request.
